The positive impact that I have from my friend are that I always read and write in free time. I always do the things that makes my parents and teachers happy.

5) What are

6) Do the following;

a) Read the following paragraph and write an article on 'ways of making a country beautiful'.

Ways of making a country beautiful.

- We can make our country beautiful by many ways. By applying those ways in our life we can make our country known in the world as the 'Most Beautiful Country in the world: not only in terms of natural things but in terms of behaviour of people'.

We can do so by being good ourselves. If we become good, our goodness influences the society due to which there will be a goodness effect all over the country. And, all the bad people left will be changed into good by this effect.

This is one of the most important method of making a country beautiful.

b) "We want nobody remained hungry in our country." Think the statement of the fruit seller. How contextual and specific the statement is in our country? Write your opinion in one paragraph.

→ This is a very specific ~~ex~~ sentence towards ~~the~~ in the context of Nepal. In my opinion, in our country there are many people who remain hungry due to factors like poverty, unemployment, etc. If we take a step to do this thing by giving food to people who are hungry and helping them. We could overcome this situation.

7) What sorts of students does the former teacher Tyotiraj wish to

see? Write a paragraph analyzing his notion.

→ Jyotiraj wanted the students to be a good example in the society. He wanted the students to be very hardworking. He wanted them to be a civil citizen later as they grow up and wanted them to be patriotic person who promotes peace and harmony and influences the society with good behaviour.
