- V. With my work, I try to satisfy my family.  
☒ a) satisfy                      b) dissatisfy.

#### 2. Answer the following questions:

a) Which incident inspired Aitaman?

→ One day, when Aitaman was going to school. He saw an insect carrying food to the terrace. The insect fell two times to reach the terrace but at the third time the insect reached at the terrace. This incident inspired Aitaman.

b) What types of people fall under the Supreme Class?

→ The people who try always, ~~and~~ never give up and ~~win~~ finally win are fall under the Supreme class

c) How was the problem of muddy road solved?

→ Aitaman picked the pebbles from

field and paved the way. Therefore, the road became easier to walk and the problem of muddy road was solved.

d) What was the mistake of Aitaman's brother?

→ The mistake of Aitaman's brother was that he threw a piece of paper near the gate of school.

e) What was discussed after Aitaman shared his ~~reg~~reading on biography to his friends?

Words on  
→ Benevolence, discipline, peace and ~~mutual~~ mutual respect was discussed after Aitaman shared his reading on biography to his friends.

4) What should we do to be a role model?

→ We should have positive thoughts and behaviour to be a role model.

3. In your community, there might be some people who have been congratulated due to their praiseworthy ~~at~~ tasks. What are these tasks? Explain the tasks asking some of the community people.

→ In our community, there ~~were~~ <sup>have</sup> ~~are~~ been many people who have done praiseworthy tasks. Before, the roads in our community were muddy. They were very hard to ~~move~~ go from one place to another. In rainy season, they would be

muddy and in winter, they would be stony. But, due to the efforts of our community people, the road got pitched. Another task is, one man of our community tested positive in the COVID-19 Test. His economical status was very low. So, we all the community people supported his family by giving food and fruits. Now, the man and his family are Okay.

4. Do the following:

~~a) List out~~

b) What are the things that you can do with your friends in your community on holiday? Explain them.

→ We can do many things in our community on holidays.

We can clean the road by some brooms. We can plant trees near the river. We can aware people not to throw garbage in the river. We can make a children's group which conducts many programmes for the welfare of our community. We can conduct dramas in order to make people aware of "Donot Throw Garbage in Road, Water bodies such as rivers and lakes." We can clean the water sources in our community.

c) ~~the~~ What kind of people do you consider as a people of the good character? Explain with examples.

→ I think, the people who are confident, never giving up, honest, who think 100 times

before speaking and who are determined to their work are the people of Good Character. Because confidence, honest are the things needed to be a good character and if someone does not think before speaking he is not worthy for good character. Determination is also the most important thing needed to be a good character. For example, If the insect gave up in this story, Aitaman would not be whom he is now. If it would have not have confidence, A good character in Aitaman would not be born.

5) Describe the following picture in 10 sentences:

- The children are cleaning the ground.
- The children are cleaning their community.

- The people of this community are aware.
  - The people living in this place are educated and they help others.
  - The people living there have a good character inside them.
  - These children are doing a social work.
  - They are doing a cleanliness campaign in their community.
  - They have made Baitaman, their role model.
  - ~~- They ~~are~~ have knowledge on~~
  - They are cleaning the environment.
  - Many people are cleaning the ground.
-
